The attached sheet, showing land distribution by the Burma Communist Party (BCP), in Hanthawaddy, Pegu, and Toungoo Districts, was extracted from The People's Liberation Bulletin for September 1950. *

25X1A: Comment. In the case of Pegu and Toungoo Districts, statistics recently became available for land distribution up to September 1949. To facilitate comparison, these are shown in parenthesis beneath the consolidated totals.

25X1A Comment. Large parts of Pegu District have been under BCP control for over two years, and the increase revealed up to September 1950 was to be expected. There seems however, to have been a decrease in Toungoo District over the corresponding period, which may be a reflection of the reestablishment of a measure of Government control as a result of the reoccupation of Toungoo itself and the reopening of land communications.
